PROFESSIONAL SUMMARY

Computer Science graduate with skills in Python, Full Stack Development, Excel, AI, and Machine Learning. Experienced in building web applications. Seeking opportunities in Python Development, Data Analytics, and AI and Manual Testing.

TECHNICAL SKILLS

Languages: Python

Web: HTML5, CSS3, Bootstrap, Flexbox

Database: SQL

Tools: GitHub, VS Code, Power BI, MS Office, Lovable

AI: Machine Learning Basics, Generative AI Fundamentals

Libraries: Pandas, Matplotlib, Numpy, Scikit-learn, TensorFlow

Soft Skills: Leadership, Analytical skills, Adaptability, Communication

EDUCATION

Rajamahendri Institute of Engineering and Technology	2022 – 2026
B.Tech in Computer Science and Engineering	CGPA: 8.15
Government Junior College (MPC)	2020 – 2022
Intermediate	83.1%
Government High School	2019 – 2020
SSC	GPA: 9.3

INTERNSHIP EXPERIENCE

Artificial Intelligence Intern — Talent Trek (Remote)	May 2025 – Jul 2025
- Built a Credit Card Approval Prediction System using Python and Logistic Regression. - Applied GridSearchCV, feature engineering, encoding, and imbalance handling.	
Web Development Intern — Karthikeya Software Solutions (Remote)	May 2024 – Jul 2024
Developed responsive UI using HTML, CSS, Bootstrap, and JavaScript.	

PROJECTS

Intelligent Interview Automation Platform

- Developed an AI-powered interview system using Python, Django, NLP, and Gemini API for question generation, response analysis, and automated scoring.

Predict Credit Card Approval (Machine Learning)

- End-to-end ML pipeline using Python, Logistic Regression, and Kaggle datasets.

Responsive Food Website

- Mobile-first responsive website with 96% performance score.

Static Tourism Website

- Optimized UI and accessibility achieving 96% performance accuracy.

CERTIFICATES

Python Foundations, Static & Responsive Web Development — **NXTWAVE**

AI, Cloud Computing, Java Programming — **NPTEL**

Deloitte Australia - Data Analytics Job Simulation (Forage)

ADDITIONAL INFORMATION

Workshops: AWS, Data Analytics, Generative AI, UI/UX (Figma)

Languages: English, Telugu
